

The FAA Safety Team presents:

## **Meet Your Examiner IV @ KJYO**

The first major challenge in every pilot's training is the FAA Practical Test. Many pilots fear the practical test; maybe because they are nervous test takers, or perhaps it's the first time that someone other than their CFI is evaluating their performance. Whatever the reason, proper preparation is the key to success! Attend this exclusive briefing presented by local FAA Designated Pilot Examiners on a variety of important topics including best practices for decision making and common reasons for practical test failures! Don't miss it! Please click on the link below for more details and to register on-line.!

**Directions:** PLEASE NOTE: Direct access to Sycolin Road from VA Route 7 is no longer available. See new directions to airport that follow:  
From VA Route 7, turn onto Battlefield Parkway, following detour signs. Continue on Battlefield Pkwy until reaching Sycolin Road. Turn left onto Sycolin Road and continue a short distance. The airport terminal building will be on the right side of road.
